**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

From Ma Bell to Att, protecting against monopolies is a function of the US government. Please don't let powerful companies like AT&T and Comcast stifle competition so that it can over-charge the consumer and limit innovation.

I am now paying a third of the cost for 4 times the internet speed and power.

Please do the right thing!

Thank you,

Eric Thompson
